

Wildlife Friendly Addingham

The Old School Site

[Click here](#) to find out more about how this site has become the best place in the village for wildlife since the school closed. Find out about the butterflies that use the different habitats that have developed here.

Take a 'wildlife safari' through the long grass, marshy areas, by the bramble patches and tall hedgerows.

Listen to the birdsong, look out for butterflies and bumblebees.

Take a photo or making a drawing of a plant growing here that butterflies like to visit.

Bradford Council - think this would be a good place to build some houses. AEG thinks the land should be kept for nature as a Village Wildlife Reserve. If you agree, please support our campaign.
