1. Welcome

Dave opened the meeting - primary focus are the plans for the upcoming environment weekend.

2. Minutes of April 2021 meeting

These were agreed. Rick reported that, with thanks to Briony, an application has been made for a grant for some wormeries. A response has not yet been received but, if successful, we may get some help for Harlow Carr.

ACTION Rick to report back at the next meeting

3. Environment Weekend

Dave explained what is happening on Saturday and Sunday. There are 12 Zero Waste Points of Interest (POIs) in the village and these are listed on the multi theme map. Posters for the Primary School and the Scout Hut have been made. The primary school is creating a set of posters with the theme of 'Our Hopes for 2040'. This is likely to include some zero carbon points as well as zero waste initiatives.

Nicky kindly offered a coffee with a free refill (one per person) during the weekend. She also offered to provide refills of sanitisers for the volunteers should they need it. Nicky also agreed to distribute the A5 advertising posters from her shop.

Gill explained the rota for Church Field with Briony and Ian looking after the zero waste quiz on Saturday and Dave on Sunday.

Help with setting up at 6 pm on Friday in Church Field would be appreciated.

Rick and Jan will meet separately to arrange the POI poster distribution.
